Your letter to the President dated 17 March has been referred to this Agency for reply.

In view of the fact that nearly two years have elapsed since you were last considered for a position with CIA, it will be necessary for you to initiate new application and Personal History Statement forms before we can again consider your application. The required forms are attached. Two completed copies of each should be returned to us at your convenience. Upon receipt of the completed forms we will survey our vacancies to determine whether we have something suitable for which you might be considered, and will contact you further.

Your continued interest in this Agency is appreciated.

Sincerely,

R. H. HILLENKOTTER
